Wiener-Neustadt, am July 7th 1931.

Dear Sirs,

We have the honour to enclose our preliminary list of

FOREST and FRUIT TREE SEEDS

and beg leave to submit same to your kind opinion, praying the favor of your orders. We are in condition to deliver all the other sorts of seeds which are not quoted in the present list. In case you want other sorts of seeds, please account same and we shall hurry to inform you about.

As purveyors of the austrian public offices and a great deal of foreign ministeries and forestry departments, we are able to serve with first class seeds material, and we should be very glad that way, to have the pleasure to count you among our customers.

We assure you in advance, that your kind orders will be executed with the greatest care.

Awaiting your appreciating reply, we present you, Dear Gentlemen our respectful compliments.
